rajtalukder2006@gmail.com

Sylhet, Bangladesh

Education

Broder Guard Public School and College
Science – SSC
End date : 2024

Shahkhurrom degree college
Science – HSC
End date : 2026

Skills

- Presentation skills & DFIR
- Programming for cybersecurity
- Problem solving
- Communication skills
- Public speaking skills
- Ms Office Suite

Language

- Bangla (Native)
- English (Fluent)
- Hindi (Limited)

Interests

- Beyond cybersecurity, I enjoy public speaking, playing instrument, and reading books.

About Me

Aspiring Cybersecurity Professional with a strong interest in Red Teaming, Digital Forensics & Incident Response (DFIR), Threat Detection, and Web Security. Hands-on experience with 20+ cybersecurity tools, including Nmap, Metasploit, Burp Suite, Wireshark, Nessus, SQLMap, and OWASP ZAP, through labs and practical projects. Certified in cybersecurity fundamentals through Ostad, Microsoft & LinkedIn, Simplilearn, and Let's Defend. Passionate about continuous learning, building GitHub projects, and developing practical cybersecurity skills.

Projects

Cybersecurity Projects

<https://github.com/rajtalukder159/CyberSecurity-Project>

- Hands-on cybersecurity portfolio showcasing practical experience in reconnaissance, vulnerability assessment, exploitation, web and network security, cloud security, malware analysis, and Active Directory using industry-standard tools including Metasploit, Burp Suite, Nessus, Wireshark, SQLMap, and OWASP ZAP.

DSA Practice – GeeksforGeeks

<https://github.com/rajtalukder159/DSA-Practice-GeeksforGeeks>

- Solved Data Structures and Algorithms problems in Python, C, and JavaScript, strengthening problem-solving and coding skills.
